Inverclyde Cricket Club is always on the look out for new members for our junior and senior teams. If you are interested in giving cricket a go, whether you have played before or not, please don't hesitate to contact our Club Captain Gareth James on 07469 990 782 or contact by email, details of which are on our contacts page. Alternatively, why not come along to our Junior or Senior training sessions, dates of which will appear below shortly. All dates and times will also appear on our Facebook page. Junior Training dates and times will also be detailed on the Junior page on our website shortly.
